Reading C1	**Spoken interaction** C1
Writing C1	

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

HOBBIES AND INTERESTS

Virtual Reality

VR has been one of my main hobbies for 4 years. I use it to play and develop games but also to increase my productivity at school/work.

80's Movies

The movies from the 1980's are my passion, especially Back To The Future. I met a dozen of actors, I traveled a lot for this passion and I collect some (original) props and merchandises.
